

Cat[®] 836H Landfill Compactor Die-Cast Model From Norscot Has Realistic All-Metal Wheels

The new Cat[®] 836H Landfill Compactor scale model from Norscot offers collectors high realism and multiple moving parts in a full die-cast metal replica. Features of the 1:50 scale model include:

- Authentic all-metal wheels
- Articulated steering
- Oscillating rear wheels
- Dozer blade that raises and lowers

“The landfill compactor model is a superb complement to our excavators, track-type tractors, trucks, wheel loaders and other Caterpillar[®] construction and mining equipment,” said Scott

Stern, Norscot’s president and chief executive officer. “Its unique nature, high realism and popular price are sure to make this model a favorite of collectors.”

Item Number 55205 is 8-1/8 inches long, 4 inches high and 3-3/4 inches wide (20.64 x 10.16 x 9.53 cm).

Caterpillar models made by Norscot are available at participating Cat dealers and at retailers throughout the world.
