

## Cat<sup>®</sup> M318D Wheel Excavator Model Now Available From Norscot

The new model of the Cat<sup>®</sup> M318D Wheel Excavator is the latest addition to Norscot's growing line of highly detailed, full-featured die-cast replicas in 1:87 scale.

While displaying the recently unveiled Caterpillar<sup>®</sup> Power Edge<sup>™</sup> trade dress design, the Cat M318D also offers many other features including:

- Main body swivels 360 degrees
- Rolling wheels with authentic tire tread design
- Boom raises and lowers
- Clear windows with interior detail
- Outriggers and dozer blade raise and lower

“Norscot continues to extend our range of Caterpillar models in 1:87 scale,” said Scott Stern, Norscot's president and chief executive officer. “These detailed yet affordably priced models have proved to be extremely popular among quality-conscious model railroaders for use as flat car loads, or in construction and mining scenes.”

Item Number 55177 is 4-1/8 inches long, 1-1/8 inches wide and 1-3/4 inches high (10.48 x 2.86 x 4.45 cm).

Caterpillar models made by Norscot are available at participating Cat dealers and at retailers throughout the world.
